

**DENVER WATER**

## Equipment at Certified Car Washes

Denver Water will pay our Certified Commercial Car Wash customers to install efficient wash nozzles and weep management systems.

The *Certified Car Wash Equipment Rebate Program* offers a \$1 per wash nozzle rebate, up to a maximum of \$300 per year. A \$100 rebate is also offered for new weep management systems that have been installed to control cold weather system bleed.

**This program is in effect from January 1 – December 31, 2006 only.**

**To apply for either rebate, the following is required:**

- ☒ The property must receive treated water from a Denver Water distributor.  
(See accompanying list on reverse side of this form to see if you qualify.)
- ☒ Property must currently possess a “Certified Car Wash” certificate from Denver Water.
- ☒ A receipt for the new nozzle(s) and/or weep management system must be stapled to this form.  
(Purchase must have been made in 2006 to qualify.)
- ☒ The new weep management system must be installed, however nozzles may be kept in inventory stock for future use.

If your property meets these qualifications, send this completed form with your receipt to:

**Commercial Voucher Program  
Denver Water, Mail Code 330  
1600 W. 12<sup>th</sup> Avenue  
Denver, CO 80204**

<b>Name:</b>	<input type="text"/>	<b>City:</b>	<input type="text"/>
<b>Address:</b>	<input type="text"/>		
	<input type="text"/>
